## Keynote Speakers

**Voddie Baucham, Jr.** — author, nationally-known speaker, professor, pastor, homeschooling father of four from Houston, Texas, and a prominent spokesperson featured in the *Exposing a Trojan Horse* DVD distributed by CHEA of California. He is being brought to the CHEA Convention in conjunction with CFS-San Diego. ([www.voddiebaucham.org](http://www.voddiebaucham.org).)

**Stan John**— a senior vice president of Focus on the Family, where he has served for 23 years, and a homeschooling father of four. He is currently working in establishing a partnership with home education leaders across the nation. His vision is to see this movement re-establish a "Culture of Family" in our nation, producing health in struggling communities and churches. He will be presenting The Truth Project training at the Annual Convention. ([www.thetruthproject.org](http://www.thetruthproject.org))

## Featured Speakers

**Ginger Plowman** — author of several books including *Don't Make Me Count to Three*, and a homeschooling mom of two. An enthusiastic and compelling communicator, Ginger is frequently interviewed on television shows and national radio. ([www.GingerPlowman.com](http://www.GingerPlowman.com))

**Todd Wilson** — author of several books including *Lies Homeschooling Moms Believe*, and *The Official Book of Homeschooling Cartoons*, is a dad, writer, conference speaker, former pastor, and founder of Familyman Ministries. Todd's humor and gut-honest realness have made him a favorite speaker at homeschool conventions across the country and a guest on Focus on the Family.
